WORK EXPERIENCE

Junior Software Developer Pairco-software Co., Ltd. (May 2024 - November 2024)

- Developed mobile applications for Android (Jetpack Compose) and iOS (SwiftUI).
- Collaborated with the backend team to integrate REST APIs and database functionalities.
- Participated in Scrum processes, including refinement and sprint planning.

Internship as Software Developer Pairco-software co. Ltd (November 2023 - March 2024)

- Built a full-stack project by designing the UI with Ant Design and integrating with backend services using Golang.
- Developed the frontend using React + TypeScript and managed API calls with Axios.
- Handled database management with PostgreSQL and utilized Docker for setting up the development environment.

Additional Experience Drum Instructor (2022-Present)

- Taught drum lessons to children aged 4–12 on Saturdays, fostering creativity and discipline.
